PROFILE

I was born in 1974 in the Netherlands were, in 2000, I graduated in Image and Media Technologie/ Animation from the Utrecht School of Arts (HKU). My speciality is stop-motion-animation but also have a passion for other arias of film-making and have an interest and understanding of pre-/post-production processes and movie-theory as well. For the past decade I have been collaborating on a variety of stop-motion-animation productions throughout Europe and enjoy working as a part of a team to materialize the directors vision but also carry out projects autonomously. On occasion I'll carry out work of illustration and/or Motion-Graphics

Other fields of interest contain; Popular-Science/Philosophy, Languages, 3D-CGI, Technological Progress, (Industrial-) Design, Storytelling, Movies

SKILLS

(Moving-)Storyboards, Illustrations, (Character-) Design, Editing, Post-production; Color Correction, Keying, Wire/Rig-removal, etc. Motion Graphics. High understanding of Mac OSX, Adobe After Effects, Photoshop, Dragon. Experience with; Illustrator, Flash, Premiere, Final Cut Pro, Cinema 4D
